

New Menus!!

Your school and Lunchtime Solutions are happy to announce that we have a new look and greatly increased functionality of our on-line monthly menus web page.

To Access Your Specific Menu:

Find the link to menus on your school district website, in the usual location as before. When students or parents link to see their menus through the district website, they will now **select their school name and menu from a drop-down box**. See the example below:

The screenshot shows the Hastings Public Schools website interface for selecting a menu. At the top left is the Hastings Public Schools logo. To its right is a graphic with a pencil and the text "Great Nutrition Fuels Great Results Good Choices Each Day Build Great Nutrition". Further right is the "MY LUNCHTIME CHOICES!" logo. Below these is the text "Welcome! It's simple to get started:". There are two numbered steps: 1. "Type in your School Name" with a text input field containing "Hastings High School, Grades 9-12". 2. "Choose your menu" with a dropdown menu showing "-- Select Menu --". At the bottom, there is a disclaimer in small text regarding federal civil rights law and USDA regulations, and contact information for the Assistant Secretary for Civil Rights.

You can also download **My School Menus Phone App** for quick and easy access to menus on-the-go.

The screenshot displays the My School Menus interface. At the top, there's a 'Change School and Menu' button and a language selection dropdown. The main header shows 'March 2018' and '2018-2019 Lunch, Grades 6-8'. Below this is a calendar view for March with days Mon-Fri. A detailed menu for March 26-31 is shown, with 'Build-A-Meal' options for each day. A 'Filter by Allergens' and 'Meal Prices' section is on the right. A 'Nutritional Details Here!' section features a 'Fruit & Veggie Super Bar' with 6-10 choices of fruits and vegetables. Below that is 'This Month's Epic Meltdowns' and 'Selection of the Month FARMERS MARKET SELECTIONS'. An inset window shows the April 2017 menu with a pop-up for a 'Turkey Ham & Cheese Sandwich' listing nutritional values: 320 Calories, 13g Fat, 6g Saturated Fat, 0g Trans Fat, 352mg Cholesterol, 060mg Sodium, 34g Total Carbs, 3g Fiber, 6g Sugar, and 19g Protein.

To help with this transition, we have gathered some **frequently asked questions** to help with the new program:

- Q. How do I access the new menus?**
Answer: You can access the new menu platform through your district website or through My School Menus App.
- Q. How do I download the My School Menus App?**
Answer: Go to the iTunes App Store or Google Play. Download the App: "My School Menus". Select State, Districts, and School.
- Q. Do I need to use a special web browser?**
Answer: Google Chrome is recommended for this platform to avoid common issues. It can be downloaded at this website: <https://www.google.com/chrome/browser/>
- Q. What if I type in a school name, and I don't see my specific elementary or other school listed?**
Answer: Try refreshing your screen. If it still is not there, press your Backspace Button while your cursor is in the School Name Section. This will allow you to see all available schools. Then select your school from the drop down box.
- Q. How can I print Menus?**
Answer: Menus can be printed directly from Google Chrome. These can be printed using the print icon. This function can print weekly menus or the entire month's entrees. Please note: The monthly view only prints entrees and not the sides.

You can also print the monthly menu by holding down the Ctrl Key then pressing the P key (Ctrl+P). This is the preferred method.

- Who do I contact with questions or concerns?**
Answer: Your Foodservice Directors contact information is located to the right side of your menus. You can also call your local kitchen for contact information.
